Phila Pa,

Dear Sirs.

Yours of the 24th at hand. You may send a few pieces of Gold .25 to $.30 prices not to exceed 1.25 each some damaged ones. as I can not sell very many and none at $3.00 each. as to the Silver (American) dates to range to about 1838. at present it is useless to send any high priced ones as all I can sell now will be to those who are just starting out and will not invest only in small sums. so send only such as you are willing to have out of your hands for some little time as this will be very slow sale but I will do the best I can and make as quick returns as I can. I dont expect to sell over $20.00 or $30.00 this time so you can send accordingly and of early dates and cheap coins. I might sell a few Copper Coins Curious old. but not high in price,

You are very kind to allow commission on slug and thank you very much. I did not intend you should do this. You need not send the money, but will accept a Coin of your own selection for my Collection. I will look a lookout for Territorial Coins for you but they are very scarce here, in fact I have never happened to run across one this year.

(Over) Very Respectfully

Saml French

I have a friend who is coming East this summer and will call on you, while in Philadelphia
